OUTFITTER CLIENT Bear Hunt CONTRACT0611

To all:

Thank you for booking your summer adventure with us. *Be sure you have a passport .The airlines charge for everything they can now so be sure and check for latest rules and charges prior to packing. As of January 1st 2006 a passport is required for international flights.*

Our job is to provide you with the best experience we possibly can. If there are any complaints about our service or guides please let me know, in writing if possible for my records, and do the same if you have an outstanding experience.

Your bear hunt is for one trophy animal. Please do not shoot young animals. If you wound an animal and he is not recovered there will be an additional charge of \$500.00 to hunt for another. Two strikes your out.

I want to manage my bear population to the best of my ability and do not want colored sows or young colored boars under 4 years old shot. If I know that a colored sow or young colored boar is visiting a bait site he or she will be put off limits. Our camp pet Boo Boo is off limits. If you shoot Boo Boo you are on your own. If you choose to shoot a colored sow or young colored boar despite my wishes there is a penalty fee

Young colored boar (175 pounds and under) \$1250.00

Young colored sow (150 pounds and under) \$1250.00

Mature colored sow (150 pounds and over) \$1250.00

Mature colored boar--Congratulations

Included in your package:

*Clean comfortable lodging

*Clean bedding and a clean room at the beginning of your stay. **We like a clean room at the end of your stay and ask that you sweep out room, empty trash and put clean sheets on at the end of the hunt.**

*Quality meals*Transportation to and from the hunting site once daily

* Six nights lodging and 6 days hunting (Monday morning to Sunday morning)

* Transportation to the blinds once a day. If you want to hunt more you need to stay all day (or pay extra)

We will retrieve all animals. Trophy preparation is a \$100.00 additional fee.

Tippling is appreciated. The recommended tip should be 10%-15% of your hunt price based on satisfaction. Split amongst guides, myself and cook. If I am guiding, tip me like a guide and if you take a great bear I expect you to be more generous with me since I am the one that builds and sets up all blinds. I work extremely hard and spend enormous amounts of money to provide a safe comfortable and productive hunt and like to feel that it's appreciated.

Your Travel arrangements can be completely taken care of by Nanette Pikovsky at Travel Advisors International. She has done a great job for all my clients in the past. Phone 952-

474-3666 Fax 952-474-3637. Be sure you tell her you are hunting with me. She can take care of everything but if you need rent car only call Kelly Erickson with discount leasing in Saskatoon and tell him you are hunting with Andy Milam and have been promised special rates. His number is 306-242-6556. He can fix you up in Saskatoon or Prince Albert depending on your final destination. He can have someone pick you up at the airport and take you back to the airport when you return.

Also for comparison try Travel Canada and ask for Jim. They can also make all arrangements and will greet you at the airport and take you to your hotel or rental car. 1-877-608-3500

If you are bringing a firearm or firearms on your hunt you will need to register them. If you are flying I **strongly advise** that you pre-register as customs at the airport will be very busy. If you are driving and know where you will be crossing, call ahead of time and ask if they are set up for pre registration. If not it is no big deal. Still it would help to fill out the paperwork (application) ahead of time. Do not sign application until you are in the presence of customs. If you have Internet access go to www.cfc-ccaf.gc.ca <<http://www.cfc-ccaf.gc.ca>> , in left column click Visitors to Canada. Then click notice to outfitters. Then at the bottom of that page click on firearms declaration forms. Then download 909E/F. It is really a simple process but if you are flying in pre-registration will save you a lot of time.

They will also want your phone number, flight number and date and time of arrival. You can mail your application to: Canada Customs and Revenue Agency, 2130 Airport Drive, Saskatoon, SK, Canada S7L6M6 or you can fax to 306-975-5917. Try to allow at least 10 days. A third option if you do not have a fax or the ten days needed call 306-975-4755 and you can fill out the application over the phone. If you need any help, or have any other questions.

This pre-registration information is for initial point of entry in Saskatoon. If you enter Canada anywhere other than Saskatoon please contact customs at your point of entry.

Each hunter will have first opportunity to re-book his or her dates. To hold these dates a deposit will be required at the end of their hunt.

We are looking forward to your stay and hope to provide the best hunting experience ever!
